

CURRICULUM VITAE

CYNTHIA S. KUBU, PHD, ABPP-CN

PERSONAL INFORMATION

Name: Kubu, Cynthia Marie Swan
Place of Birth: Riverton, Wyoming
Citizenship: USA

Education

School: Carleton College
Degree: B.A., Psychology *cum laude*, Distinction in Major and Comprehensives
Dates: August 1982 – June 1985

School: University of Iowa
Degree: M.A., Psychology
Dates: August 1989

School: University of Iowa
Degree: PhD, Psychology
Dates: December 1992

Internship Training

Institution: Rush Presbyterian St. Luke's Medical Center
Degree: APA Approved Pre-Doctoral Internship, Clinical Neuropsychology
Dates: July 1991 – July 1992

PhD Thesis

Title: An Investigation of Emotion Recognition in Individuals with Closed Head Injury
Thesis Committee: Drs R. Casey, J. Marchman, D. Fowles, M. O'Hara, S. Lindgren

Contact Information

Office Address: Department of Psychiatry and Psychology, P57, Cleveland Clinic, 9500 Euclid Avenue, Cleveland, OH 44195
Office Phone: 216.445.6848
E-Mail: kubuc@ccf.org
Facsimile: 216.444.4525

Professional Appointments

Position/Rank: Interim Vice Dean for Faculty
Institution/Dept: Case Western Reserve University, School of Medicine
Dates: March 1, 2021 – present

Position/Rank: Staff, Neuropsychologist
Institution/Dept: Center for Neurological Restoration, Cleveland Clinic
Dates: November 2001 - present

Position/Rank: Staff, Clinical Neuropsychologist
Institution/Dept: Dept of Psychology, London Health Sciences Center, London, ON
Dates: August 1992 – October 2001

Position/Rank: Neuropsychologist
Institution/Dept: Private Practice, London, ON
Dates: September 1994 – October 2001

Position/Rank: Study Neuropsychologist
Institution/Dept: Canadian Study of Health and Aging
Dates: September 1996 – January 1997; December 2000 – December 2001

Academic Appointments

Position/Rank: Professor
Institution/Dept: Department of Medicine, Cleveland Clinic Lerner College of Medicine
of Case Western Reserve University
Dates: 2013 - 2019

Position/Rank: Professor, Secondary Appointment
Institution/Dept: Department of Psychological Sciences, Case Western Reserve University
Dates: 2014 – present

Position/Rank: Professor, Secondary Appointment
Institution/Dept: Department of Bioethics, Case Western Reserve University
Dates: 2019 - present

Position/Rank: Professor
Institution/Dept: Department of Neurology, Cleveland Clinic Lerner College of Medicine
of Case Western Reserve University
Dates: 2019 - present

Position/Rank: Honorary Lecturer
Institution/Dept: Dept of Clinical Neurological Sciences, University of Western Ontario
Dates: July 1998- October 2001

Position/Rank: Adjunct Faculty Member
Institution/Dept: Department of Psychology, University of Western Ontario
Dates: September 1994 – October 2001

Certification and Licensure

Name of Board: Ohio State Board of Psychology
Date of Certificate: November 30, 2001 - present
Licensure State/#: 5825, Ohio
Date Issued: November 30, 2001

Name of Board: Nevada State Board of Psychology
Date of Certificate: March 31, 2010 - 2020
Licensure State/#: PYO601, Nevada (inactive)
Date Issued: March 31, 2010

Name of Board: American Board of Professional Psychology
Date of Certificate: October 19, 2002 - present

Licensure State/#: 5612
Date Issued: October 19, 2002

Name of Board: College of Psychologists of Ontario
Date of Certificate: December 3, 1993 – November 2001
Licensure State/#: 2590, Ontario (Inactive)
Date Issued: December 3, 1993

Honors and Awards

2007-2008 Nominated to Cleveland Clinic Leading in Healthcare

2007 Innovator award, Cleveland Clinic. Patent filed: Methods of Modulating Neuropsychiatric Function

2013-2014 American Psychological Association Leadership Institute for Women in Psychology

2013 Fellow, American Psychological Association. In recognition of outstanding and unusual contributions to the field of psychology.

2015 Arthur Benton Visiting Professor, University of Iowa, Iowa City, IA

2016-2017 Awarded (deferred until 2018)), Visiting Scholar in Neuroethics, Institut de recherches cliniques de Montreal, Neuroethics Center, Montreal, QC Canada

2017 Awarded Neurological Institute Research Scholar to support research in neuroethics.

2018 Awarded Cleveland Clinic Chief of Staff Award to fund project to increase diversity in upper academic faculty ranks.

2018 Visiting Professor, Montreal Neurological Institute

Membership in Professional Societies

- American Psychological Association
- International Neuropsychological Society
- American Academy of Clinical Neuropsychology
- American Board of Professional Psychology
- Council, Europäische Akademie Bad Neuenahr-Ahrweiler Germany
- American Society for Bioethics and Humanities
- International Neuroethics Society

Professional Service

Editorial Boards Associate Editor, Archives of Clinical Neuropsychology, 2016-2017

Ad hoc Reviewer

Journals: Biological Psychiatry; Journal of Neurosurgery; Neuropsychologia; Stroke; The Clinical Neuropsychologist; Movement Disorders; Journal of Clinical and Experimental Neuropsychology; Epilepsia; American Journal of Bioethics; Journal of the International Neuropsychological Society; Journal of Neurology, Neurosurgery and Psychiatry; Neuromodulation: Technology at the Interface; Archives of Clinical Neuropsychology; Health Expectations; Brain Sciences; Psychological Assessment; Journal of Alzheimer's Disease; Translational Psychiatry-Nature; PLOS ONE; JAMA- Neurology; Neuroethics; Journal of Science and Engineering Ethics; Expert Review of Medical Devices

Committee Service

International

Organization: Europäische Akademie
Committee/Role: Invited Member, Deep Brain Stimulation in Psychiatry: Guidance for Responsible Research and Application
Dates of Service: October 2008 – January 2012
Dates of Service: January 2014 – December 2015

Organization: International Neuroethics Society
Committee/Role: Nominating Committee, alternate member
Dates of Service: November 2016 - 2018

Organization: International Neuroethics Society
Committee/Role: Co-Chair, 2017 Program Committee
Dates of Service: November 2016 – Nov 2017

Organization: International Neuroethics Society
Committee/Role: Member, International Council of Neuroethics Leaders
Dates of Service: November 2017 – present

Organization: International Neuroethics Society
Committee/Role: Member, 2018 Program Committee
Dates of Service: January 2018 – November 2018

National

Organization: Division 40, Neuropsychology, American Psychological Association
Committee/Role: Member, Steering Committee, Women in Neuropsychology
Dates of Service: March 2001 – August 2003

Organization: American Psychological Association
Committee/Role: Division 40 Liaison, Committee for Women in Psychology
Dates of Service: August 2003 – September 2006

Organization: Division 40, Neuropsychology, American Psychological Association
Committee/Role: Chair, Steering Committee, Women in Neuropsychology
Dates of Service: August 2003 – September 2006

Organization: Working Group for Developing Standards for DBS, Congress of
 Neurological Surgeons and Movement Disorders Society
 Committee/Role: Invited Member, Neuropsychology and Neuropsychiatry subgroup
 Dates of Service: January 2003 – January 2006

Organization: American Psychological Association
 Committee/Role: Division 40 Member at Large
 Dates of Service: August 2013 – August 2016

Organization: American Psychological Association, Division 40
 Committee/Role: Chair, Presidential Task Force on Integrated Care
 Dates of Service: August 2014 – August 2016

Organization: American Psychological Association
 Committee/Role: Council Representative, Division 40
 Dates of Service: August 2016 – August 2019

Organization: American Psychological Association
 Committee/Role: APA Presidential Initiative: Special Working Group on Integrated Care
 Dates of Service: September 2016

Organization: American Psychological Association
 Committee/Role: Member, Fellows Committee, Division 40
 Dates of Service: September 2016 – ongoing

Organization: American Psychological Association
 Committee/Role: Integrated Healthcare Alliance Advisory Board
 Dates of Service: June 2017

Organization: National Institutes of Health, SBIR - STTR Review Section
 Committee/Role: Reviewer
 Dates of Service: March 2018

Organization: National Institutes of Health, BRAIN F32 Review Section
 Committee/Role: Reviewer
 Dates of Service: June 2018, November 2019

Organization: National Institutes of Health, BRAIN U01 Review Section
 Committee/Role: Reviewer
 Dates of Service: February 2019, February 2020, September 2020, February 2021

Organization: Data Safety Monitoring Board, Closed-loop Deep Brain Stimulation to
 Treat Refractory Neuropathic Pain, UCSF
 Committee/Role: Member
 Dates of Service: August 2019 - present

Organization: American Psychological Association, Society for Clinical
 Neuropsychology
 Committee/Role: President-Elect
 Dates of Service: August 2020 – July 2021

Organization: National Institutes of Health, BRAIN K99 Review Section
Committee/Role: Reviewer
Dates of Service: July 2021

Organization: American Psychological Association, Society for Clinical
Neuropsychology
Committee/Role: President
Dates of Service: August 2021-present

State

Organization: Healthcare Businesswomen's Association, Ohio Branch
Committee Role: Advisory Board Member
Dates of Service: January 2015 – 2018

Regional

Organization: Cleveland Psychology Society
Committee Role: Board Member, Ethics
Dates of Service: January 2016 – September 2017

Organization: Ko-K-Yo
Committee Role: Executive Board Member
Dates of Service: January 2017 – present

Case Western Reserve University School of Medicine

Committee/Role: CCLCM, Department of Medicine, Representative to the Faculty Council
Dates of Service: August 2016- June 2019

Committee/Role: Member Advisory Board, Medical Humanities
Dates of Service: September 2016- present

Committee/Role: Member, Committee on Appointments Promotions and Tenure
Dates of Service: September 2017- August 2020

Committee/Role: Chair, Ad hoc Committee of the Faculty to Evaluate Current Faculty
Council Structure
Dates of Service: May 2018- Jan 2019

Committee/Role: Co-Chair, Committee on Appointments Promotions and Tenure
Dates of Service: September 2019- August 2020

Committee/Role: Member, CWRU Faculty Senate
Dates of Service: September 2019- present

Committee/Role: SOM Representative, CWRU Faculty Senate Executive Committee
Dates of Service: September 2019- May 2020

Committee/Role: Chair, Search Committee, Director SOM Faculty Development and
Diversity

Dates of Service: May 2020 – August 2020
Committee/Role: Member, Committee on Women and Minorities
Dates of Service: July 2020 – March 2021
Committee/Role: Co-Chair, ad hoc Committee to Study Professionalism
Dates of Service: December 2020- present

Cleveland Clinic

Committee/Role: Member, Research Committee, Neurological Institute, Cleveland Clinic
Dates of Service: September 2006 – 2012
Committee/Role: Member, Women’s Professional Staff Association Executive Working Group, Cleveland Clinic
Dates of Service: November 2008 - 2009
Committee/Role: Vice President, Women’s Professional Staff Association, Cleveland Clinic
Dates of Service: October 2009 – December 2011
Committee/Role: Co-President, Women’s Professional Staff Association, Cleveland Clinic
Dates of Service: January 2012 – December 2013
Committee/Role: Co-Chair, Workload Innovation Task Force, Office of Professional Staff Affairs, Cleveland Clinic
Dates of Service: September 2011 – December 2014
Committee/Role: Member, Wellness Institute Chair Review Committee, Office of Professional Staff Affairs, Cleveland Clinic
Dates of Service: September 2012 – November 2012
Committee/Role: Member, Distance Health Committee, Office of Professional Staff Affairs, Cleveland Clinic
Dates of Service: November 2012 – January 2014
Committee/Role: Member, Professionalism Council
Dates of Service: June 2013 – December 2018
Committee/Role: Member, Women’s Profession Staff Association, Forum Planning Committee, Cleveland Clinic
Dates of Service: September 2013 – September 2014
Committee/Role: Member, Women’s Professional Staff Association, Education Committee, Cleveland Clinic
Dates of Service: January 2014 – January 2017
Committee/Role: Member Advisory Board, Women in Search of Excellence, Employee Resource Group, Cleveland Clinic
Dates of Service: January 2015 – January 2017

Committee/Role: Member, Engagement Task Force, Neurological Institute, Cleveland Clinic

Committee/Role: Member, Education Committee, Center for Neurological Restoration, Cleveland Clinic
 Dates of Service: September 2016 – present

Committee/Role: Member, Office of Professional Staff Affairs, Staff Advisory Council, Cleveland Clinic
 Dates of Service: January 2017 – December 2017

Committee/Role: Co-Chair, APR Training Task Force, Cleveland Clinic
 Dates of Service: January 2017 – 2020

Committee/Role: Ambassador, Office of Professional Staff Affairs, Cleveland Clinic
 Dates of Service: September 2017 – present

Committee/Role: Member, Office of Professional Staff Affairs, Transition Center Committee, Cleveland Clinic
 Dates of Service: September 2019 – present

Cleveland Clinic Lerner College of Medicine

Committee/Role: Member, Neurosciences Curriculum Development Committee
 Dates of Service: 2002- 2005

Committee/Role: Member, Admissions Committee
 Dates of Service: September 2006 – March 2007, September 2008 - 2010

Committee/Role: Applicant Pre-Screener, Admissions Committee
 Dates of Service: September 2006- March 2007, September 2009 – 2010

Committee/Role: Member, Committee on Appointments and Promotions
 Dates of Service: July 2014- March 2019, resumed July 2020 - present

Committee/Role: Chair, Diversity and Inclusion Action Group, Faculty Recruitment, Retention, and Education
 Dates of Service: October 2020 - present

Educational Committees

Organization: Cleveland Clinic
 Committee/Role: Member, Education Committee, Neurological Institute
 Dates of Service: September 2006 – September 2008

Thesis Committees

Organization: Cleveland Clinic Lerner College of Medicine

Committee/Role: Chair, Thesis Committee, Karen Fang
Dates of Service: September 2016-2018

Organization: University of British Columbia
Committee/Role: Member, Thesis Committee, Caitlin Courchesne
Dates of Service: July 2019

Dissertation Committees

Organization: Monash University, Australia
Committee/Role: Member, Dissertation Committee, Cassandra Thomson
Dates of Service: September 2020

Organization: Case Western Reserve University, Cleveland
Committee/Role: Co-Chair, Dissertation Committee, Amanda Merner
Dates of Service: August 2020- Present

Teaching Activities

Curriculum/Course Development

1. CCLCM, Neurosciences Year 1, Curriculum Development, 2002 – 2005, Regular meetings to design overarching curriculum with specific responsibility for neuropsychology/neuropsychiatry content.
2. Cleveland Clinic, Course Director, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, 2011-2013
3. Cleveland Clinic, Women's Professional Staff Association Junior Representative Program, 2015-2016, Responsible for designing a curriculum to increase engagement and develop professional skills for early career women staff
4. Cleveland Clinic, Getting the most out of your APR. 2017- 2020. Co-developed and taught ongoing course for staff to help maximize the annual performance review process.
5. She Thrives, Women and Leadership curriculum designed for Women in Anesthesia annual retreat, Cleveland Clinic, June 2, 2018
6. Developing Your Authentic Leadership Style, curriculum designed for Pediatric Hospitalists Annual Retreat, Cleveland Clinic, June 4, 2018
7. She Thrives, Women and Leadership curriculum designed for Women in Anesthesia, Cleveland Clinic, Four sessions, 2018 - 2019

Teaching Presentations, Undergraduate and Medical School (since 2006)

1. What is Neuropsychology? CWRU Medical Students, January 24, 2006, March 20, 2006, May 15, 2006
2. Functional Neuroanatomy and Neuropsychiatry, CCLCM Year 3, 3 – 4 seminars throughout 2006
3. Neuroethics, (with Paul Ford, PhD) CCLCM Year 3, 3 – 4 seminars throughout 2006
4. Cortico-Striato-Thalamo-Cortical Circuits and Behavioral Correlates, CCLCM Year 1, February 2006
5. Functional Neuroanatomy and Dementia, CCLCM Year 2, October 2006
6. Functional Neuroanatomy and Neuropsychiatry, CCLCM Year 3, 4 seminars throughout 2007

7. Neuroethics, CCLCM Year 3, 3 seminars throughout 2007
8. Cortico-Striato-Thalamo-Cortical Circuits and Behavioral Correlates, CCLCM Year 1, February 2007
9. Functional Neuroanatomy and Dementia, CCLCM Year 2, October 2007
10. Emotions, the Brain, and Behavior, CCLCM Year 1, February 19, 2008
11. Dementia, CCLCM Year 3, October 15, 2008
12. Minimally Conscious State Case Presentation, CCLCM Year 2, October 28, 2008
13. Fronto-Subcortical Circuits and Behavior, CCLCM Year 1, February 17, 2009
14. Neuropsychology and Dementia, CCLCM Year 2, October 16, 2009
15. The Neuroanatomy of Neuropsychiatric Disorders, CCLCM Year 3, 2008 - present: ~ 4 – 6 seminars per year
16. Cortical Functional Neuroanatomy, CCLCM Year 3, 2009 - present: ~4-6 seminars per year
17. Introduction to Behavioral Neurocircuitry, CCLCM Year 1, January 22, 2010, April 19, 2011
18. The Limbic Lobe and Emotions, CCLCM, Year 1, April 23, 2013, April 22, 2014
19. The Limbic Lobe, CCLCM Year 2, 2015 – present: ~1 -2 seminars annually
20. The Importance of Phineas Gage, CCLCM Year 2, November 10, 2015
21. The Importance of Both Cultures in Treating the “Worried Well”, Seminar, Medical Humanities Thread, CWRU, March 29, 2017
22. Pragmatic Clinical Neuroethics, Seminar, Medical Humanities Thread, CWRU, February 13, 2019
23. Dementia and Personhood, Seminar, Medical Humanities Thread, CRWU, SOM, July 18, 2019
24. Clinical Neuroethics, Guest Lecturer, Neuroethics Seminar, Department of Bioethics, CWRU, November 7, 2019
25. An introduction to neuroethics: DBS as a case example, Guest Lecturer, Medical Humanities, Department of Bioethics, CWRU, March 19, 2020
26. An introduction to empirical neuroethics in the clinic. Guest Lecturer, Medical Humanities, Department of Bioethics, CWRU, March 9, 2021

Teaching Presentations, Residents and Fellows (since 2006, note some records not available)

1. Functional Neuroanatomy Jeopardy, Neurology Residents, October 24, 2006
2. NonMotor Aspects of Parkinson Disease, Neurology Residents, October 25 2006
3. Cortical Dementias, Neurology Residents, November 11, 2006
4. Subcortical Dementias, Neurology Residents, December 23, 2006
5. Functional Neurocircuitry and Neuropsychiatry. Epilepsy Fellows, March 15, 2007
6. Functional Neuroanatomy, Neuropsychology Post-Doctoral Fellows, September 2007
7. Functional Neuroanatomy Jeopardy, Neurology Residents, November 9, 2007
8. Distributed versus Hub Theory of Semantic Knowledge: The role of the anterior temporal lobe; Neuropsychology Post-Doctoral Fellow Seminar, March 4, 2008
9. Categorical Descriptives in Neuropsychological Assessment, Neuropsychology Post-Doctoral Fellow Seminar, June 24, 2008
10. The Role of the Parietal Lobe in Episodic Memory, Neuropsychology Post-Doctoral Fellow Seminar, July 22, 2008
11. Dementia Syndromes, Neuropsychology Post-Doctoral Fellow Seminar, October 14, 2008
12. The medial temporal lobes and memory: Beyond HM, Neuropsychology Post-Doctoral Fellow Seminar, April 7, 2009
13. Neuropsychiatry, Psychiatry Residents, April 8, 2009

14. The Case for Cognitive Reserve, Neuropsychology Post-Doctoral Fellow Seminar, June 9, 2009
15. The Business Case for More Women in Leadership, Neuropsychology Post-Doctoral Fellow Seminar, August 4, 2009
16. The Neurobiology of Hoarding, Neuropsychology Post-Doctoral Fellow Seminar, September 8, 2009
17. Functional Neuroanatomy with Clinical Correlates, Neurology Resident Lecture Series, January 29, 2010
18. Feedback: An Ethical Analysis, Neuropsychology Post-Doctoral Fellowship Seminar, March 9, 2010
19. Basic Behavioral Neuroanatomy, Family Medicine Residents, Fairview Hospital, April 21, 2010
20. Neuropsychology Jeopardy, Neuropsychology Post-Doctoral Fellowship Seminar, May 11, 2010
21. The Neuropsychology of the Insula Cortex, Neuropsychology Post-Doctoral Fellowship Seminar, July 13, 2010
22. HIV Associated Neuropsychological Deficits, Neuropsychology Post-Doctoral Fellowship Seminar, November 9, 2010
23. Neuropsychology, Socioeconomic status, and public policy, Neuropsychology Post-Doctoral Fellowship Seminar, March 22, 2011
24. Depression and Dementia, Neuropsychology Post-Doctoral Fellowship Seminar, August 9, 2011
25. A Primer on Optogenetics, Neuropsychology Post-Doctoral Fellowship Seminar, March 6, 2012
26. Stress Related Cognitive Deficits: The Neurobiology of Frazzle, Neuropsychology Post-Doctoral Fellowship Seminar, May 8, 2012
27. Why Women Still Can't Have it All: The Clash between Work and Family Values, Neuropsychology Post-Doctoral Fellowship Seminar, July 10, 2012
28. Differential Diagnosis of Parkinson Disease, Neuropsychology Post-Doctoral Fellowship Seminar, September 11, 2012
29. The Neurobiology of Frazzle, Psychology Resident Seminar series, Cleveland Clinic, October 10, 2012
30. Neuroanatomy for Psychiatrists, Psychiatry Resident Seminar series, Cleveland Clinic, November 29, 2012
31. Differential Diagnosis of Memory Disorders in Adults, Neuropsychology Post-Doctoral Fellowship Seminar, June 11, 2013
32. Fact Finding, 101, Neuropsychology Post-Doctoral Fellowship Seminar, September 10, 2013
33. Limbic Neuroanatomy, Psychiatry Resident Seminar, October 17, 2013
34. Neuropsychology Jeopardy, Neuropsychology Post-Doctoral Fellowship Seminar, November 19, 2013
35. Discrepancies between Patient Report and Test Data, Neuropsychology Post-Doctoral Fellowship Seminar, February 4, 2014
36. Neurobehavioral Features of Parkinson Disease, Neuropsychology Post-Doctoral Fellowship Seminar, March 4, 2014
37. Neuroanatomical Models for Neuropsychiatric Disorders, Psychology Resident Seminar, March 26, 2014
38. Introduction to Health Care Communication, Day of Culture, New Resident and Fellows Orientation, Cleveland Clinic, July 1, 2014
39. Malnutrition and Neuropsychology, Neuropsychology Post-Doctoral Fellowship Seminar, June 24, 2014

40. Neuropsychology, Attention, and ADHD in Adults, Neuropsychology Post-doctoral Seminar, October 21, 2014
41. Behavioral Neuroanatomy, Psychiatry Residents Seminar, October 30, 2015
42. Limbic System Review and Neuropsychiatry, Psychiatry Residents Seminar, November 6, 2015
43. Differential Diagnosis of Adult Memory Complaints, Neuropsychology Post-doctoral Seminar, January 20, 2015
44. Neuropsychology Jeopardy, Neuropsychology Post-doctoral Seminar, April 21, 2015
45. Foundations of Health Care Communication Course, Day of Culture, Cleveland Clinic, July 8, 2014
46. "Lifting the Veil": Neuropsychology in Integrated Care, Neuropsychology Post-doctoral Seminar, July 14, 2015
47. Neuroanatomy for Psychiatrists: Part 1, Psychiatry Residents Seminar, October 22, 2015
48. Neuroanatomy for Psychiatrists: Part 2, Psychiatry Residents Seminar, October 29, 2015
49. The Neuroanatomy of Social Cognition, Neuropsychology Post-doctoral Seminar, December 1, 2015
50. Early Onset Dementia, Neuropsychology Post-doctoral Seminar, February 16, 2016
51. Lessons Learned in the Spence Laboratories of Psychology, Neuropsychology Post-doctoral Seminar, July 26, 2016
52. Neuropsychological Assessment of Capacity, Neuropsychology Post-doctoral Seminar, October 4, 2016
53. Neuroanatomy for Psychiatrists: Part 1, Psychiatry Residents Seminar, October 27, 2016
54. Neuroanatomy for Psychiatrists: Part 2: Psychiatry Residents Seminar, November 3, 2016
55. Functional Neuroanatomy and the Worried Well, Health Psychology Seminar, May 3, 2017
56. Who does she think she is? Women and Leadership. Neuropsychology Post-doctoral Seminar, August 8, 2017
57. Neuroethics and Dementia, Neuropsychology Post-doctoral Seminar, May 1, 2018
58. Bioethics in the Context of Personality and Identity Change, Psychiatry Residents Seminar, May 10, 2018
59. Leadership in Academic Medicine, Post-doctoral Health Psychology Fellows Seminar, January 9, 2019
60. Neuroanatomical Frameworks for Neuropsychiatric Disorders, Post-doctoral Psychology Fellows Seminar, February 6, 2019
61. Lessons Learned: Establishing a Career in Academic Medicine, Invited Speaker, Neurological Institute Research Day, May 16, 2019
62. Neuropsychology Jeopardy, Post-doctoral Neuropsychology Seminar, June 4, 2019
63. Social Capital and Negotiation, Post-doctoral Neuropsychology Seminar, July 9, 2019
64. Differential Diagnosis of Memory Complaints, Post-doctoral Neuropsychology Seminar, July 16, 2019
65. Professionalism, Lerner Research Institute, Leaders Seminar series, July 22, 2019
66. Neuroethics on a DBS Team, Post-doctoral Neuropsychology Seminar, October 29, 2019
67. Neuropsychology "Skinny", Post-doctoral Neuropsychology Seminar, May 10, 2020
68. Promotion in Academic Medicine, Post-doctoral Neuropsychology Seminar, August 25, 2020
69. Setting and achieving your goals! Invited presentation to the NI Fellows, Faculty Advising Introduction Webinar, August 27, 2020
70. Neuroanatomy for Psychiatrists: Part 1, Psychiatry Residents Seminar, October 15, 2020
71. Neuroanatomy for Psychiatrists: Part 2: Psychiatry Residents Seminar, October 22, 2020
72. The Neurobiology of Delusions; Post-doctoral Neuropsychology Seminar, October 27, 2020

73. Neuropsychology and Ethics in Deep Brain Stimulation, Movement Disorders Fellow Seminar, December 2, 2020
74. Social Capital and Negotiation, Health Psychology Fellows Seminar Series, March 30, 2021

Teaching Presentations, Grand Rounds/Invited Presentations/CME/CE (since 2005)

Local Presentations:

1. Fronto-subcortical circuits: Lessons from Parkinson Disease. Department of Psychiatry and Psychology Grand Rounds Presentation, Cleveland Clinic, January 6, 2005.
2. Non-Motor aspects of Parkinson disease. Advancing the Care of Parkinson's Disease, Cleveland Clinic sponsored CME, Strongsville, OH. October 29, 2005.
3. Neuroethics, (with Paul Ford, PhD) Department of Psychiatry and Psychology Grand Rounds Presentation, Cleveland Clinic, April 2006.
4. Women and Memory: Facts and Fallacies, Speaking of Women's Health, Cleveland Clinic, Cleveland, OH July 22, 2006
5. Cognitive and Psychiatric Complications of PD, Nursing Care Issues in the Parkinson's Patient. Cleveland Clinic, August 9, 2006
6. The Neuropsychiatry of Parkinson Disease, CME, Physicians and allied health care workers, Cleveland, Nov 9, 2006
7. Neurobehavioral Features of Parkinson Disease, CME, Nurses, South Pointe Hospital, February 3, 2007
8. Depression and Memory following DBS in Patients with Parkinson Disease. Department of Psychiatry and Psychology Grand Rounds, May 10, 2007
9. Sex, Drugs and Rock 'n Roll: The Functional Neuroanatomy You Didn't Learn in Medical School, Neurosurgery Grand Rounds, May 28, 2008
10. The Emotional Aspects of Music; Music and the Brain Symposium; Cleveland Clinic, Students, Professionals, Lay People, June 6, 2008
11. Panel Moderator, The Cleveland Clinic APR Process, CV and APR Prep: Tips and Tools, Cleveland Clinic Academy, June 2, 2011
12. The Relevance of C P Snow to P57. Psychiatry Grand Rounds, Cleveland Clinic, November 10, 2011
13. The Role of Neuropsychology in Parkinson disease, Movement Disorders, and Deep Brain Stimulation, Recognizing Parkinson Disease and its Look A-Likes, Cleveland Clinic sponsored CME Course, May 19, 2012
14. Course Director, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, July 12, 2012
15. Putting Your Best Self Forward: Elements of a World Class CV and Biosketch, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, July 12, 2012
16. Panel Moderator, Optimizing the APR Process, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, July 12, 2012
17. Ethical Tensions in the Neuropsychological Assessment of the Worried Well, Paper presentation at Brain Matters 3, Cleveland, OH, October 25, 2012
18. Mood, Personality, and Cognition in Parkinson Disease, Invited presentation for the Young Onset Parkinson Disease support group, Cleveland Clinic, January 8, 2013
19. Course Director, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, January 24, 2013

20. Putting Your Best Self Forward: Elements of a World Class CV and Biosketch, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, January 24, 2013
21. Panel Moderator, Optimizing the APR Process, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, January 24, 2013
22. Ethical Tensions in the Treatment of the Worried Well, Neurology Grand Rounds, Cleveland Clinic, April 1, 2013
23. Doubt, Stress, and Ethical Tensions in the Assessment of the Worried Well, Psychiatry Grand Rounds, Cleveland Clinic, May 2, 2013
24. What Can Bioethics Research Do for Clinicians?, Invited panelist, Bioethics Research Day, Cleveland Clinic, May 24, 2013
25. Course Director, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, September 24, 2013
26. Putting Your Best Self Forward: Elements of a World Class CV and Biosketch, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, September 24, 2013
27. Panel Moderator, Optimizing the APR Process, Pragmatic Tips for your APR and Career Development, Cleveland Clinic Academy, September 24, 2013
28. Recognizing the Neurobehavioral Complications in Parkinson Disease. CME Course, Parkinson's Disease and Other Movement Disorders for the Busy Clinician, March 8, 2014, Cleveland Convention Center, Cleveland, OH
29. Foundations of Health Care Communication Course Facilitator, Cleveland Clinic Patient Experience Summit, May 18, 2014
30. Foundations of Health Care Communication Course Facilitator, Cleveland Clinic, June 2, 2014
31. Foundations of Health Care Communication Course Facilitator, Cleveland Clinic, August 4, 2014
32. Foundations of Health Care Communication Course Facilitator, Cleveland Clinic, September 29, 2014
33. Perspectives on Memory and Attention: What are our Ethical and Fiduciary Responsibilities? Psychiatry Grand Rounds, Cleveland Clinic, October 23, 2015
34. Foundations of Health Care Communication Course Facilitator, Cleveland Clinic, December 3, 2014
35. Leveraging the Science of Resilience to Thrive in Changing Times, Invited presentation to Women in Search of Excellence Employee Resource Group, Cleveland Clinic, Dec 4, 2014
36. Foundations of Health Care Communication Course Facilitator, Patient Experience Summit, May 17, 2015
37. WPSA Junior Representative Session, Know Yourself, Four hour course, Course Director and Speaker, Cleveland Clinic, Cleveland, OH, February 4, 2016
38. Gender Bias in Science and Medicine: Understanding the Present to Change the Future, Organizer, Speaker, and Moderator for the first Cleveland Women in Science and Medicine Discussion Series, CWRU, Cleveland, OH, February 8, 2016
39. WPSA Junior Representative Session, Know the Setting, Four hour course, Course Director and Speaker, Cleveland Clinic, Cleveland, OH, May 20, 2016
40. WPSA Junior Representative Session, Strengths and Weaknesses, Four hour course, Course Director and Speaker, Cleveland Clinic, Cleveland, OH, Oct 20, 2016
41. Words of Wisdom from Women who Took Risks, Invited Panelist What's Next, CWRU School of Medicine, Cleveland, OH, November 17, 2017

42. Have We Moved the Needle? Organizer, Speaker, and Moderator for the second annual Cleveland Women in Science and Medicine Discussion Series, CWRU, Cleveland, OH, February 21, 2017
43. Ethics at the Crossroads of Psychiatry and Neurology: Practical Advice for Psychologists, 4 hour CE, Course Director and Speaker, Cleveland Psychological Association, Cleveland, OH March 18, 2017
44. Patients Who Make Us Squirm: Patients in the borderline between psychiatry and neurology, Kubu CS, Ford, PJ, Rush T, Grand Rounds, Center for Neurological Restoration, Cleveland Clinic, March 21, 2017
45. Neuropsychological, Neurobehavioral, and Ethical Considerations in Assessing Candidacy for Deep Brain Stimulation, Lou Ruvo Center for Brain Health Grand Rounds, Cleveland, OH April 13, 2017
46. Determining Capacity, Panelist, ACTEC Ohio Fellows Meeting, Cleveland, OH April 22, 2016
47. Co-Director, Getting the Most from Your APR, 1.5 hr CE, Cleveland Clinic, Multiple presentations 2017 – present
48. Preparing for your APR. Presentation to Pediatric Behavioral Health, Cleveland Clinic, November 3, 2017
49. Who does she think she is? Grand Rounds, Psychiatry Department, Cleveland Clinic, December 7, 2017
50. Carefully Constructed Femininity, Organizer, Speaker, and Moderator for the third annual Cleveland Women in Science and Medicine Discussion Series, Cleveland Museum of Natural History, Cleveland, OH, February 20, 2018
51. Women and Leadership, Grand Rounds, Department of Neurology, Cleveland Clinic, March 19, 2018
52. Untangling the Double Bind for Women in Leadership, Grand Rounds, Department of Obstetrics and Gynecology, University Hospital, CWRU, March 21, 2018
53. She THRIVES! Faculty development course for Women in the Anesthesia Institute with Susan Freimark, Cleveland Clinic, Cleveland, OH, June 2, 2018
54. Leadership in Academic Medicine, Faculty development course for Pediatric Hospitalists, Cleveland Clinic, Cleveland, OH, June 4, 2018
55. What's new in the Neuropsychology of Parkinson's Disease: From single neurons to the soul. Darlene Floden, Cynthia Kubu, Grand Rounds, Department of Neurology, Cleveland Clinic, June 11, 2018
56. Using Social Capital to make your bold idea a reality. 1 hr CE faculty development session presented at the Cleveland Clinic Women's Professional Staff Association Biennial Forum, September 21, 2018, Cleveland, OH
57. Demystifying the Promotion Process, C.S. Kubu, N. Deming, D. Lancaster, March 21, 2019, May 16, 2019, September 12, 2019, December 5, 2019, September 24, 2020
58. Negotiation Skills for Women Leaders, C. S. Kubu, S. Freimark, She Thrives! Women in Anesthesia Faculty Development Retreat, May 4, 2019
59. Successful Negotiation, Invited Speaker, CWRU School of Medicine, Faculty Reaching for Academic Medical Excellence, June 7, 2019
60. How to have a Successful APR, Faculty Development presentation for the WPSA Representatives, Cleveland Clinic, June 13, 2019
61. Social Capital and Influence, C. S. Kubu, S. Freimark, She Thrives! Women in Anesthesia faculty development course, August 15, 2019
62. Advocacy, C. S. Kubu, S. Freimark, She Thrives! Women in Anesthesia faculty development course, November 14, 2019

63. Diversity and Inclusion at CCLCM: Challenges and Opportunities, Education Institute Grand Rounds, J. Harry Isaacson, Monica Yepes-Rios, Jazmine Sutton, Cynthia S. Kubu, May 18, 2020
64. The Impact of COVID-19 on Women in the Academy, CWRU SOM Office of Diversity, Equity, and Inclusive Excellence, VITALS series, July 20, 2021

Regional Presentations:

65. Deep Brain Stimulation in the Treatment of Neurobehavioral Disorders, Invited Presentation, Ohio Brain Injury Association, Columbus, OH, September 17, 2008
66. Medical Field Experts on Determining Capacity, Panelist, The Marvin R. Pliskin Advanced Probate and Estate Planning Seminar, Ohio Bar Association, Columbus, OH September 16, 2016
67. Personal Branding and Leadership Strengths, Invited Panelist. Women in Bioscience Workshop BioOhio, Northeast Ohio Medical University, Youngstown, OH September 22, 2016
68. Neuroethics: Ethical Considerations in Assessing Candidacy for DBS, Invited Speaker, Midwest Neuropsychological Group, Columbus, OH April 21, 2017
69. Mind and Motion – Cognition in Parkinson’s Disease, Invited Speaker, Parkinson’s Foundation; Mind, Mood and Motion conference, Independence, OH, May 5, 2019
70. The Neuropsychology of Epilepsy. Empowering Epilepsy Conference, Cleveland, OH, October 18, 2019

National Presentations:

71. Deep Brain Stimulation Treatment for Psychiatric Disorders (with Drs B Greenberg and P Malloy), 3 hour CME course, International Neuropsychological Society annual meeting, Boston, MA, February 2006
72. Member, Organizing Committee, Neurostimulation for Neurobehavioral Disorders, Cleveland Clinic sponsored small group meeting, Ritz Carlton, Key Biscayne, FL Jan 31 – February 3, 2008
73. Neurocognitive Effects after Ventral Capsule/Ventral Striatum Stimulation, Neurostimulation for Neurobehavioral Disorders, Cleveland Clinic sponsored small group meeting, Ritz Carlton, Key Biscayne, FL Jan 31 – February 3, 2008
74. The Role of the Neuropsychologist on a DBS Team, 3 Hour CME course, American Academy of Clinical Neuropsychology, Chicago, June 17, 2010
75. Neuroethics Symposium, Invited speaker for 3 hour CME, Philadelphia Neuropsychology Society, November 1, 2014, Drexel University, Philadelphia, PA
76. Doubt, Stress, and Ethics in the Care of the Worried Well, Invited APA Division 40 Fellows Address, American Psychological Association Annual Meeting, August 7, 2014, Washington, DC
77. A Pragmatic Primer for Neuropsychologists Working on DBS Teams, Neuropsychology Grand Rounds, Arthur Benton Visiting Professor, University of Iowa, June 23, 2015
78. The Humanities, Ethics, and Science in the Treatment of the Worried Well, Neurology Grand Rounds, Arthur Benton Visiting Professor, University of Iowa, June 23, 2015
79. Who does she think she is? Women, Leadership, and the “B” Word, American Academy of Clinical Neuropsychology, Boston, MA, June 10, 2017
80. A Pragmatic Blueprint for Psychologists and Neuropsychologists working in Integrated Care Teams with Amy Windover, PhD. APA, CE Course (4 hours), Washington, DC, August 5, 2017
81. Ethics in the Grey Zone. Invited speaker, North American Neuromodulation Society annual meeting, Las Vegas, NV, January 12, 2018

82. Neuroethics, 3 hour CE Course presented at the American Academy of Clinical Neuropsychology Annual Meeting, June 21, 2018, San Diego
83. Invited panelist, Neuroethics, NINDS Non-Profit Conference, April 22, 2019, Bethesda, MD
84. American Society of Stereotactic and Functional Neurosurgery, Epilepsy Surgery Workshop, The Role of Neuropsychological Evaluation in Epilepsy Surgery, Lutheran Hospital, Cleveland Clinic, Cleveland, OH May 31, 2019
85. Navigating Parenthood as a Trainee: Professional, Practical, and Legal Perspectives. Invited panelist, American Psychological Association Emerging Leaders Network, APA Annual Convention, Chicago, IL August 10, 2019
86. Personality Change in the Context of Parkinson's Disease and Deep Brain Stimulation, invited speaker, National Institutes of Health, BRAIN Neuroethics Working Group, Bethesda, MD, August 19, 2019
87. The neuroethics of control. Invited speaker, DBS Think Tank, Orlando, FL, September 5, 2019
88. Women and Leadership: Untangling the Double Bind, Webinar sponsored by the National Academy of Neuropsychology, Taquitos de Sesos, October 25, 2019
89. Honoring the Original SCN Women in Neuropsychology (WIN) Board: Reflections on How Far We've Come, Invited presentation with K. Lisdahl, A. Marcotte, P. Shear, E. Martin, C. Kubu, M. Rivera-Mindt. American Psychological Association Annual Convention, Washington, DC, August 2020
90. Dewey in the Neuropsychology Lab: Empirical Neuroethics in Clinical Practice, Invited presentation. American Psychological Association Annual Convention, Washington, DC, August 2020
91. Investigator perspectives on ethical challenges re: COVID-induced protocol changes for human subjects research. Invited panelist with M. Franceschini, L. Hochberg, C. S. Kubu, S. Sheth. NIH BRAIN Neuroethics Working Group meeting, August 20, 2020 (had to defer due to a death in the family)
92. Leadership over the Course of One's Career: Influence, Values, Motivation and Overcoming Fears; Director (3 hour CE) for invited course on leadership development, American Academy of Clinical Neuropsychology, Virtual Conference, June, 2021
93. Ethical Considerations in the Delivery of Nontraditional Neuropsychological Services. Invited presentation. American Psychological Association Annual Convention, virtual, August 2021.

International Presentations:

94. Member, Executive Organizing Committee, Music and the Brain: A Symposium on the Brain, Music, Health and Society, Co-sponsored by the Cleveland Clinic and the Cleveland Orchestra, Salzburg, Austria, August 16, 2008
95. Moderator, From Perceptions to Emotions: A Panel Discussion on the Cerebral Experience of Music; Music and the Brain: A Symposium on the Brain, Music, Health and Society, Co-sponsored by the Cleveland Clinic and the Cleveland Orchestra, Salzburg, Austria, August 16, 2008
96. Outcomes following Deep Brain Stimulation for Parkinson Disease: Patients' Perspectives on Control. Invited paper presented at the Deep Brain Stimulation in Psychiatry - Guidance for Responsible Research and Application Meeting in Bonn, Germany, January 2011
97. Patients' Values and Outcomes following DBS. Invited presentation to the ELSA Deep Brain Stimulation in Neurology and Psychiatry- Ethical, Legal, and Social Aspects. February 3, 2012 Cologne, Germany

98. Empirical Neuroethics in the Clinic, Institut de recherches de Montreal, Montreal, Quebec, Canada, January 23, 2018,
99. Neuroethics in a DBS Movement Disorders Clinic, Montreal Neurological Institute, Montreal, Quebec, Canada, January 24, 2018
100. Works in Progress, Institut de recherches de Montreal, Montreal, Quebec, Canada, September 14, 2018
101. DBS: Continuity of the Self? Invited Panelist, International Neuroethics Society Meeting, Nov 2, 2018, San Diego, CA
102. Women in Neuropsychology/Leadership panel, Invited panelist KnowNeuropsychology, April 12, 2021

Trainees/Mentees

1. John Lace, PhD, 2020-2021, Neuropsychology Fellow, Cleveland Clinic
2. Amanda Merner BA, MA, 2018-present, CWRU, research trainee and doctoral student
3. Liliana Varman, BA, 2020, Practicum Student, Case Western Reserve University
4. Kaltra Dhima, PhD, 2019 Neuropsychology Fellow, Cleveland Clinic; Current position, Neuropsychologist, Vanderbilt University
5. RyAnna Zenisek, PhD, 2019 Neuropsychology Fellow, Cleveland Clinic
6. Ellie Beale MA, 2018 - 2019, CWRU, Practicum Student, Research Student
7. Datta Sudarshana BS, 2018, CCLCM Medical Student, Year 5
8. Allison Baier, BA, 2018, Practicum Student, CWRU
9. Ashley Miller, PhD, Neuropsychology Fellow, Cleveland Clinic; Current position: Staff Neuropsychologist, Cleveland Clinic
10. Jalessa Perez, BA, 2016, Practicum Student, CWRU
11. Karen Fang, 2016-2018 CCLCM Medical Student, Year 4
12. Alex Uzdavines, 2016-2017, MS, Practicum Student, CWRU
13. Sally Vogel, PhD, 2016, Neuropsychology Fellow; Current position: Barrow Neurological Institute, Phoenix, AZ
14. Brenna Brown, BA, Summer 2015, Medical Student, CWRU
15. Jennifer Lehmann, BA, 2015, Practicum Student, CWRU; Current Position: Intern, Cook County Hospital, Chicago, IL
16. Audrina Mullane, PhD, 2014-2015, Neuropsychology Fellow, Cleveland Clinic; Current position: Neuropsychologist, Eugene, OR
17. Nicole Kiewel, PhD, 2014-2015, Neuropsychology Fellow; Current position: Clinical Neuropsychologist, Sanford Health, Fargo, ND
18. Danielle Raymond, BA, 2014, Practicum Student, CWRU; Current position: Graduate student CWRU
19. Elizabeth Andresen, PhD, 2012-2014, Neuropsychology Fellow, Current Position: Lifespan Neuropsychologist, St Vincent Hospital, Indianapolis, IN
20. Ava Dorfman, PhD, 2012, Neuropsychology Fellow; Current position: Staff Neuropsychology, New York University Hospitals, NYC
21. Mary Foster, PhD, 2011-2012, Neuropsychology Fellow; Current position: Neuropsychologist, Dayton, OH
22. Theresa Annie Keary, PhD, 2011, Intern; Current position: Neuropsychology Lecturer, John Carroll University, OH
23. Maya Ramirez, PhD, ABPP 2011, Neuropsychology Fellow; Current position: Neuropsychologist, Tampa General Hospital
24. Susan Bowen, PhD, 2010, Neuropsychology Fellow; Current position: Neuropsychologist, University Hospital, Cleveland

25. Lama Chaline, MD, 2010, Neurology Resident, Cleveland Clinic; Current position: Assistant Professor, University of Pennsylvania
26. Craig Conant, BA, 2009, Research volunteer, Cleveland Clinic; Current position: Clinical Project Manager, Juventas Therapeutics, Cleveland, OH
27. Sara Khan, MD 2009, Neurology Resident, Cleveland Clinic
28. Christian Camargo, BSc, 2008-2010, CCLCM Medical Student
29. Lauren Strober, PhD, 2007-2009, Neuropsychology Fellow; Current position: Research Staff Neuropsychologist, Kessler Institute of Rehabilitation, NJ
30. Dan Harvey, PhD, ABPP 2007, Intern; Current position: Neuropsychologist, Cleveland VA
31. Hooman Azmi, MD, 2008, Neurosurgery Fellow, research; Current position: Staff Neurosurgeon, Hackensack University Medical Center, NJ
32. Jessica Chapin, PhD, ABPP 2005-2007, Neuropsychology Fellow; Current position: Neuropsychologist, Milwaukee, WI
33. Sheela Toprani, BA, 2006, CCLCM Medical Student
34. Julie Pilitsis, MD PhD, 2005, Neurosurgery Fellow, research; Chair, Neurosurgeon, Albany Medical College, NY
35. Tom Frazier, PhD, 2004-2005, Neuropsychology Fellow; Current position: Professor, John Carrol University
36. Robyn Busch PhD, ABPP 2003-2005, Neuropsychology Fellow; Current position: Neuropsychologist, Associate Professor, Cleveland Clinic
37. Heather Stott PhD, ABPP, 2002-2004, Neuropsychology Fellow; Current position: Neuropsychologist, Department of Mental Health, State of Ohio
38. James Pinkston, PhD, 2001-2003 Neuropsychology Fellow; Current position: Neuropsychologist, Louisiana State University Health Science Center, Shreveport, LA
39. Angela Haffendon, PhD, 2001, Psychology intern; Current position: Neuropsychologist, Alberta Health Services, Calgary, AB
40. Renata Harland, PhD., 2000-2001, Psychology Intern; Current position: Neuropsychologist, Full time mother
41. Nancy Galvan, MSc, 2000-2001, Research student; Current position: Speech Language Pathologist, Ontario
42. Tamara Goranson, PhD, 1999-2000, Psychology intern ; Current position : Neuropsychologist, Private Practice, Victoria, BC
43. Laura Janzen, PhD., ABPP, 1999-2000, Psychology Intern; Current position: Neuropsychologist, The Hospital for Sick Children, Toronto, ON
44. Karen Chipman, PhD, 1999, Practicum student; Current position: Neuropsychologist, Nova Scotia Hospital, Dartmouth, NS
45. Petrina Pelletier, PhD, 1998-2000, Psychology Intern ; Current position : Neuropsychologist, Glenrose Rehabilitation Hospital, Edmonton, AB
46. Sherry Carter, PhD, 1998-1999, Psychology Intern; Current position: Neuropsychologist
47. Lisa Carswell, PhD, 1997-2000, Psychology Intern; Current position: Neuropsychologist, Ottawa Hospital, Ottawa, ON
48. Elizabeth Sherman, PhD, 1996-1997, Psychology Intern; Current position: Neuropsychologist, University of Calgary, AB
49. Deborah Anderson, PhD, 1995-1996, Psychology Intern; Current Position: Neuropsychologist
50. Mary Kay Pavol, PhD, ABPP 1994-1995, Psychology Intern; Current position: Associate Professor, Columbia University Medical Center, NY,NY
51. Quentin Poore, PhD 1993-1994, Psychology intern; Current Position: Sunnyview Hospital and Rehabilitation Center, Schenectdony, NY

52. Cathy Della Mora, Ph.D., 1992-1993, Psychology Intern, Current position:
Neuropsychologist, Private Practice, Columbus, OH

Teaching Administration

1. Co-Director, Post-Doctoral Neuropsychology Fellowship Program, Cleveland Clinic, Dec 2002- August 2006
2. Neuropsychology Track Coordinator, Internship Committee, London Health Sciences Centre, University Campus, London, Ontario, 1994-1998
3. Neuropsychology Track Coordinator, Merged Internship Committee, London Health Sciences Centre, London, Ontario, 1996-2001

Teaching Activities

1. CAPPS (Short Essay) Grader, CCLCM Year 1, Psychiatry week, 2006, 2007, 2009, 2010, 2011, 2012, 2013, 2014

Research Support

Completed

1. NIH, Deep Brain Stimulation for Advanced Parkinson Disease, PI: Jerrold Vitek, MD, PhD; Role: Co-Investigator; 2005- 2011
2. Epilepsy Foundation of America, The Role of Cortisol Dysregulation in Depression and Hippocampal Dysfunction Associated with Temporal Lobe Epilepsy, PI: Robyn M. Busch; Role: Mentor; \$35,000, 7/06 to 12/08
3. NIMH, A multicenter controlled study of deep brain stimulation of the internal capsule for intractable OCD, including FDG-PET imaging pre- and post-DBS. PI: Ben Greenberg, MD, PhD; Role: Co-Investigator; 0.72 CM, \$684,751 (Total 2009 Direct costs)09/25-2006 – 08/31/2011
4. American Parkinson Disease Association, Effect of Cerebral Atrophy and White Matter changes on Neuropsychological Outcome of Bilateral Subthalamic Nucleus Deep Brain Stimulation for Parkinson Disease, Post-doctoral Training Grant; PI: Jessica Smerz, PhD; Role: Mentor; \$35,000, September 2006-August 2007
5. NINDS NIH, Ethics of Control and Consent in Brain Stimulation for Parkinson Disease, Mechanism: RC1, Role: Principal Investigator (Co-PI with Paul Ford, PhD), 0.2 FTE, \$834,860.00 October 2009- 2013.
6. Greenwall Foundation, Ethics of Control and Consent in Patients Undergoing Epilepsy Surgery; Role: Principal Investigator (Co-PI: Paul Ford, PhD); 0.05 FTE; \$94,000 January 2010 – December 2011
7. NIH, Deep brain stimulation of the ventral anterior limb of the internal capsule for modulation of the affective sphere of chronic neuropathic pain; Mechanism NIGMS/ODA; Principal Investigator: Andre Machado, MD, PhD; Role: Co-Investigator, 0.05 FTE, \$1,500,000 Total award 10/1/2009-6/30/2014
8. The Aneurysm and AVM Foundation. Cerebrovascular Research Grant Award, Early Inflammation and Long-Term Cognitive Outcome after Aneurysmal Subarachnoid Hemorrhage. Principal Investigator: Javier Provencio, MD; Role: Co-Investigator, \$12,500, 2012-2014

Current

9. NIMH NIH, Ethics of Patients' and Care Partners' Perspectives on Personality Change in Parkinson's disease and Deep Brain Stimulation. Mechanism: R01, Role: Principal Investigator; 0.4 FTE, \$1,673, 882 Total Award 9/13/2017 – 6/30/2021, no cost extension
10. Cleveland Clinic Neuroimaging Institute, Imaging Research Grant, Neural Underpinnings of Personality Change in Neurodegenerative Disorders, Role: Primary Investigator, \$20,000, June 2019 – May 2022
11. Ohio Humanities, Dementia and Personhood: Facts and Myths, Role: Primary Investigator, \$30,000 November 2019 – November 2020, no cost extension due to COVID
12. NIMH NIH, Ethics of Choice of Invasive versus Non-invasive Neurosurgery: Different Stakeholders' Perspectives, Surgical Decision-making, and Impact on Patient Sense of Control. Mechanism: RF1, Role: Principal Investigator; 0.4 FTE, \$1,665,044 Total Award 7/20/2020-7/19/2024

Submitted

13. Systematic Augmented Reality Test (SmART) for comprehensive Parkinson's disease Assessment. Mechanism: R01, Principal Investigator: Jay Alberts, PhD; Role: Co-Investigator
